

Important information about gift aid

You can benefit us greatly by choosing to gift aid your donation as long as you are a U.K. taxpayer and the total amount of gift aid donations you make in a year does not exceed the amount you pay annually in income tax. For example, if you donate £200 in a tax year, you must ensure that you pay more than £200 in tax otherwise you will be liable for any shortfall. Currently the amount of tax free income allowed per person is £12,500. If your income is less than £12,500 you will not be liable for tax and would not therefore be able to gift aid your donation.
